REISSUE APPLICATION SUPPLEMENTAL DECLARATION BY THE INVENTOR

As a below named inventor, I hereby declare that:
My residence, mailing address and citizenship are stated below next to my name.
I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,842,486, granted 12/01/1998, and for which a reissue patent is sought on the invention entitled HERMETICALLY SEALED COSMETIC COMPACT CASE

the specification of which

☐ is attached hereto.

☒ was filed on December 21, 1999 as reissue application number 09/469,494
and was amended on December 21, 1999, October 26, 2000 and Amendment provided herewith.
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

At least one error upon which reissue is based is described as follows:

The Applicants did not fully appreciate the true nature and scope of the invention disclosed in the original application that matured into U.S. Patent No. 5,842,486. For example, the subject matter recited in independent Claim 1 of the '486 patent claimed more than it had right to claim in view of U.S. Patent No. 5,875,918.

All errors corrected in this reissue application arose without any deceptive intention on the part of the Applicants.
